

## **HULL STOREY GIBSON COMPANIES, LLC ANNOUNCES MALL RENOVATIONS**

(October 2008) Hull Storey Gibson is delighted to announce that renovations have commenced at Twin Rivers Mall in New Bern, North Carolina and Ponce de Leon Mall in St. Augustine, Florida. “The appearance of these well located properties will be greatly enhanced,” said John Hudson (Construction Manager for HSG). “The mall patrons in these communities will notice substantial upgrades.”

The interior “mallteration” plans at both properties will include new drop ceilings with impressive lighting improvements, new carpet and paint in the common areas, as well as new benches, planters and trash receptacles. Common areas in each mall will lend themselves to a variety of activities, performances and uses by local organizations and entities. “These respective malls enjoy the best location in each of these cities and we are excited about continuing to improve our properties for our loyal customers” said John Gibson, HSG Partner.
